REMARKS

In accordance with 37 CFR 1.821, a substitute "sequence listing" is submitted herewith in response to the Notice To Comply dated April 9, 2001. It is respectfully requested that the sequence listing be entered into the application. The initially filed sequence listing did not contain all of the sequences appearing in the claims and specification. The presented filed sequence listing includes the initially filed sequence listing plus 96 additional sequence listings for sequences appearing in the originally filed specification and claims but not properly identified, respectively, SEQ ID NO: 18 through SEQ ID NO: 114.
